

## 1. SCHEDULE/SCORESHEET

Schedules and game times will be posted online at least 48 hours before game day. If you don't see the schedule online or receive it by email, it means it's still being finalized.

## 2. FACILITIES & EQUIPMENT

VIVA Volleyball rents facilities from school boards and public or private venues. As guests, players must follow all facility rules and expectations. Please clean up after yourself and ensure no garbage or recyclables are left behind.

## 3. PLAYERS

CO-ED 6'S (4 Male / 2 Female)

- **Minimum Players:** 4 players required to play; **at least 1 female** must be on the court. No female = game forfeited.
- **Maximum Players:** No more than **4 males** on the court at a time.

Teams with Only 1 Female:

- **Regular Season:** Teams may play with 5 players following regular rotation. Missing female position is a dead position
- **Playoffs:** Must field 6 layers. If a female is missing, **Ghost Player Rule** applies:
  - Ghost rotates with female.
  - When ghost reaches serve, team loses serve and opposing team gains a point.
  - Team forfeits serve every 5th rotation to allow full-team serve.

**Note:** Ghost player rule does **not** apply to teams playing 4 players (3 males + 1 female).

## 4. GAME FORMAT & SCORING

Game durations and starting scores vary by league and location based on permit times. Teams must complete both sets within the allotted time. Scores can be tracked using the provided scoreboards or called out audibly. The winning team of each set must record the score on the scoresheet.

A countdown timer will sound through the portable speaker to signal the end of the game. When it goes off, teams should finish the current rally, but no new serves or plays should begin unless the game is tied. To maximize playtime, keep breaks between and after sets to a minimum.

## 5. CO-ED 6'S LEAGUE SPECIFIC RULES

### Official Game Rules

**Official league ball for this league will be** MOLTEN V5M5000

- Games are self-officiated, and players are responsible for calling their own faults.
- Common faults include lifts, net touches, stepping on the line while serving, and crossing under the net.
- If a fault is missed, an opposing player may *politely* bring it to attention, assuming it was unintentional. However, teams should generally *not* call faults against their opponents.

### **Ceiling Rule:**

If the ball contacts the ceiling over your own side of the court, it remains playable as long as it does not cross the net into your opponent's side. This includes bottom of the fan, top/side/bottom of raised basketball net and light fixtures. However, if the ball contacts the ceiling over the opponent's side, it is considered a fault.

### **Libero Rule:**

Liberos are permitted in coed play; however, the libero must be male and is not permitted to serve. Teams must follow standard volleyball rotational order at all times.
